

You Don't Need The Weight

By Todd Keating

Em C G Em C G

Yeah

Verse 1:

Em C G

A gun is fired

Em C G

The shot goes higher

Em C G

Believe when I say

Em D G

You don't need the weight

Verse 2:

Em C G

All things ascending

Em C G

Will soon be descending

Em C G

And all at the same rate

Em D G

You don't need the weight

Chorus:

C

Solve for "y"

D Em

Remember that you know "a"

C

Solve for "y"

D Em

Accelerations always nine point eight

C

Solve for "y"

D G

I never wanna hear you say

Em D G

I don't know the weight

Verse3:

Em C G

Do not admire

Em CG

A falling tire

Em C G

As it falls towards your face

Em D G

You'll be a pancake

Chorus (end on **Bsus**)

Bridge:

Em G

Now you can see we're not falling apart

C Am D

We're descending equally, yeah

Em

No matter the distance

G

You'll hit the ground

C D

At the same time as me...

C D Em

All things ascending

C D Em

Will soon be descending

C D G Em

And all, and all, and all, and all

Don't wanna hit the ground

D E F#m

Remember that you know "a"

D E F#m

Accelerations always nine point eight

D E A

I never wanna hear you say

F#m E A

I don't know the weight

(Chorus) x2

F#m E A

'Cause you don't need the weight
