

FROM THE OFFICE

Carl Sandburg

As we prepare to close out this school year and prepare for the next, we need to mention a couple of important changes that come with moving to Carl Sandburg.

The tardy policy is much more stringent at Carl Sandburg. There is a structured and systematic procedure for handling students who arrive late. Please refer to pages 70 and 71 of the current elementary handbook for specific information.

Carl Sandburg also utilizes a structured school-wide behavior system. This is outlined on pages 72-77 of the current handbook.

Music Program

Congratulations to Miss Poris for a great program. The children did an outstanding job at each performance.

Thanks also to all the teachers, paraprofessionals, custodians, and other staff members who helped make this such a successful event.

End of Year

It's hard to believe that we are close to the end of another school year. It seems like we were just welcoming our new students and their families to Mark Twain.

We have enjoyed getting to know all of our students. On behalf of all of us at Mark Twain, I would like to thank you for sharing your child with us this year. We have had a very busy, but productive, school year.

Thank You

Thank you to everyone for helping us have another successful year. A special thank you goes to our PTA members who volunteered numerous hours in support of our school. Without all of you we could not do the things we do. Thanks for all your help in support of our school.

With the warm weather, some students are wearing “flip-flops” to school. This type of shoe can make it difficult to participate in PE or to run during recess. We have found that sometimes children will trip or the shoe will break when they run. A couple of years ago, we had a wood chip from the playground go through a foam flip flop.
