To the parents of all C.U.S.D # 1 students who ride or may want to ride home with another student on a bus.

We at First Student in conjunction with the Charleston School District have found do to safety issues and seating assignments on buses that we can no longer accept written notes from parents authorizing approval for your student to ride on another bus than their own. We can allow notes from parents, in case of emergency that are pre-approved with a signature by your student's building principal, and then only if you are a registered rider through the transportation department, as an eligible school bus rider.

Please register at Transportation to become an eligible bus rider for the 2011-2012 school year.

Thank you for your cooperation and understanding.

Sincerely
