Course Code Number	Class Title

Computer Skills

20 + Ways to Use Your Scanner

With a scanner you can do all kinds of fun and cool stuff with images and photos. Get the hang of scanning from installation and operation basics, to editing tricks, and more. One-on-one interaction with the instructor helps you learn on your own scanner.

CE-COMP114-480

Instructor: Barbara George
Meets Dates, Days, Times: 06/16/06 – 07/16/06
Location: INT NET
Cost: \$35.00

Course Code No. Synonym

Attention Parents: Occasionally the Communications and Creative Services Office takes photographs of students in College for Kids classes. The photographs are used in the college's publications, brochures and website. They may also appear on social media sites. If you object to having a photograph of your child taken and/or used in this manner, please contact Community and Professional Programs at (217) 234-5219 prior to the first meeting of your child's class.

Register

Registration begins April 4, 2011.

Online • Register online:
www.lakelandcollege.edu/learn

When registering online, payment by Visa or MasterCard **may** be required.

Mail • Complete registration form located on the inside of cover and mail to:

Admissions and Records
 Lake Land College
 5001 Lake Land Blvd.
 Mattoon, IL 61938

Fax • Fax completed registration form to Admissions and Records at (217) 234-5390. Call (217) 234-5434 for confirmation of receipt.

Phone • Call Admissions and Records at (217) 234-5434.

In person • Register in person at Admissions and Records, which is located in the Student Center on the Lake Land College campus in Mattoon.

Payment

If class has a material fee, it is included in cost of class.

Online • Visa or MasterCard may be required.

All other registrations will be sent a statement from the Accounting Office.

For statement or billing questions, please contact the Accounting Office at (217) 234-5214.

Cancellation

Please note that classes may be canceled due to insufficient enrollment. If the class is canceled, you will be notified and will receive a full refund. Refunds are issued two times a month.

Drop

Non-standard courses, because of the unique circumstances associated with scheduling, securing resources, and the ability to backfill vacated seats, require five (5) college business days' notice in advance of the first class meeting to receive a 100% refund. Refunds are issued two times a month.

Refund example: Count first day of class, example June 16, as day one. Count back five (5) days. Exclude Saturdays and Sundays (and Fridays in the summer.) You would have to drop by June 8 to get a refund.

Phone • Call Admissions and Records at (217) 234-5434 to drop a class.

In Person • Drop class in person at Admissions and Records, which is located in the Student Center on the Lake Land College campus in Mattoon.

SCFK Scholarships

To encourage participation by all students, a limited number of need-based scholarships are available. To determine eligibility, please send a short letter of request and a copy of last year's tax forms to Community and Professional Programs, Lake Land College, 305 Richmond Ave. E., Mattoon, IL 61938. Please include desired class registration with letter of request and copy of last year's tax forms.

Lake Land College wishes to thank the following organization that donated to the Lake Land College Summer College for Kids scholarship fund in 2010:

- Jeri Baird
- Lori Ohnesorge
- Emily Ramage

College closings due to severe weather

Announcements will be made on local radio, TV stations, and Lake Land College homepage. Cancellation of day classes is not an automatic closing for evening sessions.

Contact

- If you require accommodations due to a disability, contact Office of Student Accommodations, at (217) 234-5259.
- New class or instructor ideas? Questions or suggestions? Contact Community and Professional Programs, at (217) 234-5470.

Kids College

Beginning Spoken Chinese

Introduce your child to the Chinese language and culture. Learn to introduce yourself, simple phrases and the Chinese alphabet.

CE-LERN145-21431

Instructor: Joy Wen Li Yao
Meets: Mon. & Wed. & Thu.
 Jun 6 – Jun 23
 12:00 p.m. – 1:00 p.m.
Location: NE 101
Cost: \$60.00
Ages: 8 – 12

Bring Your Creativity

Explore the wonders of watercolor as you begin your painting. Techniques will be explored to enhance the watercolor. Try your hand at sculpture as you create a 3-D wire and bead project.

CE-CRFT136-21870

Instructor: Diane Anderson
Meets: Wed. & Thu.,
 Jul 13 – Jul 14
 10:00 a.m. – 11:00 a.m.
Location: CHARLESTON LSC
Cost: \$14.00
Ages: 6 – 10

Chef for the Day

Let's cook up a storm! What is on the menu? We'll make applesauce, mini pizzas, deviled eggs, pudding and fruit ka-bobs. We will also decorate cupcakes, make a cookie animal, decorate a place mat and practice setting the table and eating with friends.

CE-FOOD121-21318

Instructor: Diane Anderson
Meets: Mon. & Tue.,
 Jun 27 – Jun 28
 2:00 p.m. – 3:00 p.m.
Location: CHARLESTON LSC
Cost: \$14.00
Ages: 7 – 11

Cowboys and Pirate Adventures

Rally around the pretend campfire and join us for some cowboy food, crafts, and a wild west story. Then mate we'll make a treasure map, listen to a pirate's tale, try some pirate food, and make our own parrot craft project.

CE-LERN146-21660

Instructor: Diane Anderson

Meets: Wed. & Thu.,
 Jul 20 – Jul 21
 10:00 a.m. – 11:00 a.m.
Location: WORKFORCE
 DEVELOPMENT 105
Cost: \$14.00
Ages: 4 – 8

Dolls and Dragons

Let's make our version of a Kokeshi doll, Japanese folk art doll, traditionally handmade of wood. Let your imagination flow and draw a dragon and embellish it using watercolors and plenty of glitz and glitter.

CE-CRFT132-21316

Instructor: Diane Anderson
Meets: Mon. & Tue.,
 Jun 27 – Jun 28
 12:00 p.m. – 1:00 p.m.
Location: CHARLESTON LSC
Cost: \$14.00
Ages: 4 – 10

Girls' Day Out

It's a girl thing! Join your friends as we have a tea party. We will have snacks and make some party favors. The second celebration will be an American Girl Doll party. You can bring your doll if you would like and we will make jewelry for you and a matching set for your doll.

CE-LERN126-21327

Instructor: Diane Anderson
Meets: Mon. & Tue.,
 Jul 18 – Jul 19
 10:00 a.m. – 11:00 a.m.
Location: WORKFORCE
 DEVELOPMENT 105
Cost: \$14.00
Ages: 4 – 8

Karate for Tiny Tots

This is an introduction to karate rather than a self-defense course. Learn karate techniques, principles, and do fun activities.

CE-SPRT103-22134

Instructors: William Shuler
 & David Shuler
Meets: TBA
 Jun 9 – Aug 4
Location: EFFINGHAM EAG
Cost: \$97.80
Ages: 5 – 7

Let's Be a Scientist: Rockets

Let's Be a Game Developer I

Learn to use a free game development tool called "GameMaker." The class will have one project as a goal. Due to the complex nature of GameMaker, parents are encouraged to attend in order to work with their child on future projects. USB included. Only child need register. Ages 11 and up. Younger children are welcome to attend but MUST be accompanied by an adult.

CE-SCIE156-21863

Instructor: Scott Rhine
Meets: Thu., Jun 9
 1:00 p.m. – 5:00 p.m.
Location: WEBB HALL 114
Cost: \$30.00

Let's Be a Game Developer II

Learn to use a free game development tool called "Scratch". The class will build one simple game. This is a highly open-ended class and a parent is encouraged to attend in order to work with their child on future projects at home. Only students need register. USB included. Ages 8 and up. Younger children are welcome but MUST be accompanied by an adult.

CE-SCIE140-21861

Instructor: Scott Rhine
Meets: Thu., Jun 2
 1:00 p.m. – 5:00 p.m.
Location: WEBB HALL 114
Cost: \$30.00

Let's Be a Maker I

Building cool things from common objects inspires kids to be creative and resourceful. The class will build marshmallow shooters from PVC parts, speakers out of disposable plates and a battery (projects subject to change). Parents are welcome to accompany their child. Only child

need register. Ages 8 and above. Younger children are welcome to attend but **MUST** be accompanied by an adult.

CE-SCIE168-21864

Instructor: Scott Rhine
Meets: Thu., Jun 16
 1:00 p.m. – 5:00 p.m.
Location: WEBB HALL 114
Cost: \$30.00

Lets Be a Maker II

This class involves more complicated builds appropriate for older makers (MacGyver in training). Planned projects include building a motor from household parts, creating an airzooka, and making a biosphere in a jar, projects are subject to change. The class will host visits from other makers demonstrating their advanced projects. Parents are welcome to accompany their child. Only child need register. Ages: 11 and above. Younger children are welcome to register but **MUST** be accompanied by an adult.

CE-SCIE169-21865

Instructor: Scott Rhine
Meets: Thu., Jun 23
 1:00 p.m. – 5:00 p.m.
Location: WEBB HALL 114
Cost: \$30.00

Let's Be a Scientist: Edible I

Come explore the chemistry of cooking. Learn the science behind some basic cooking techniques and have fun eating the experiments. Parents are highly encouraged to accompany their child. Only child need register. Ages 8 and above. Younger children are welcome to attend but **MUST** be accompanied by an adult.

CE-LERN148-21970

Instructor: Shirley Splittstoesser
Meets: Thu., Jul 28
 1:00 p.m. – 5:00 p.m.
Location: WEBB HALL 81
Cost: \$50.00
Ages: 9 – 13

Let's Be a Scientist: Robots

Lego MindStorms will be used in a team environment to explore the function, design and programming of robots to solve a group of problems. Software will also be discussed and distributed that simulates the building and programming of robots which

could potentially be used at home to further study robotics. Parents are encouraged to attend and assist the team members. Only child need register. Ages 11 and above. Younger children are welcome to attend but **MUST** be accompanied by an adult.

CE-SCIE157-21868

Instructor: Scott Rhine
Meets: Thu., Jul 14
 1:00 p.m. – 5:00 p.m.
Location: WEBB HALL 114
Cost: \$30.00

Let's Be a Scientist: Rockets

Build two types of rockets. The first, a paper rocket propelled solely by air power, the second a 2 liter bottle powered by compressed air and water. (We will divide into teams, build and a launch stage, weather dependent). Student will power and launch creations at launch site. Construction for the launch apparatus will not be covered by the students, but parents are encouraged to attend and learn how to build both the rockets and the launch assembly. Details and build instructions will be made available. Only child need register. Ages 11 and above. Younger children are welcome to attend but **MUST** be accompanied by an adult.

CE-SCIE170-21866

Instructor: Scott Rhine
Meets: Thu., Jun 30
 1:00 p.m. – 5:00 p.m.
Location: WEBB HALL 114
Cost: \$30.00

Let's Be a Scientist: Sticky 1

Let's explore sticky science. Discuss the science behind the creation of common toy compounds (play dough, slime and silly putty) and recreate those compounds using common household materials. Parents are strongly encouraged to accompany their child as other recipes and techniques will be discussed and information distributed. Ages: 8 and up, younger ages welcome if accompanied by an adult.

CE-SCIE175-21783

Instructor: Iffat Ali & Scott Rhine
Meets: Thu., Jul 21
 9:00 a.m. – 12:00 p.m.
Location: WEBB HALL 81
Cost: \$30.00

Let's Be a Scientist: Sticky 2

Let's explore sticky science. Discuss the science behind the creation of common compounds (slime, silly putty, and ice cream). We will recreate those compounds using common household materials. Parents are strongly encouraged to accompany their child as other recipes and techniques will be discussed and information distributed. Ages 11 and up. Younger children welcome if accompanied by an adult.

CE-SCIE176-21784

Instructor: Iffat Ali & Scott Rhine
Meets: Thu., Jul 21
 1:00 p.m. – 4:00 p.m.
Location: WEBB HALL 81
Cost: \$30.00

Let's be an Architect

Create house and buildings using SketchUp, Google's free 3D modeling software. The project will include constructing a 3D model but will primarily be teaching how to use the software to create other models after the class ends. Parents are encouraged to accompany the student and learn how to use the software as the students will be challenged to create their own house in SketchUp during the summer. Includes a USB drive and everything needed to get creating both in the class and at home. Younger children are welcome to attend but **MUST** be accompanied by an adult.

CE-SCIE171-21867

Instructor: Scott Rhine
Meets: Thu., Jul 7
 1:00 p.m. – 5:00 p.m.
Location: WEBB HALL 114
Cost: \$30.00
Ages: 11 and above

Let's Walk Through the Body

Learn how we see, hear, and smell. Take a journey through the complete digestive tract. Emphasis will be placed on making healthy choices to keep your organs happy. Investigation of proper lab technique, 3D models, hands-on activities, and observing an eye and heart dissection will be part of the over all learning experience.

CE-SCIE177-21869

Instructor: James Filipiak
Meets: Thu., Jul 7
 8:00 a.m. – 11:30 a.m.
Location: NORTHEAST 107
Cost: \$30.00
Ages: 9 and above

Rockhounds

Learn about rocks and minerals, handle samples, and use scientific method to determine their classification. Next we will engage your creativity and make a multi-media environmental triarama, an example would be a junglescene.

CE-SCIE174-21759

Instructor: Diane Anderson
Meets: Mon. & Tue., Jul 18 – Jul 19
 3:00 p.m. – 4:00 p.m.
Location: NEAL HALL 113
Cost: \$14.00
Ages: 4 – 8

CE-SCIE174-21659

Instructor: Diane Anderson
Meets: Wed. & Thu., Jul 20 – Jul 21
 3:00 p.m. – 4:00 p.m.
Location: WORKFORCE
 DEVELOPMENT 105
Cost: \$14.00

Sign Language for Kids

Have fun with sign language! Learn hand shapes used in American Sign Language, along with the manual alphabet, numbers, food and color signs. Students will learn to sign several songs. Their skills will be recorded. Each student will be mailed a DVD copy to continue practicing what they learned.

CE-LERN147-21828

Instructor: Valerie Lynch
Meets: Mon. – Wed., Jun 6 – Jun 8
 9:00 a.m. – 10:00 a.m.
Location: PANA
 EXT CENTER 107
Cost: \$18.00
Ages: 5 – 9

Test Preparation ACT Deluxe

Test scores make a big difference! Why not do your best? Regardless of your college plans, the score on your exams may affect your future. Once registration is received, information will be forwarded to you. Web course deluxe includes: two retired tests, four months of web access, and a CD-ROM.

CE-TEST102-21787

Instructor: Staff
Meets: On Your Own
 Jun 13 – Jul 25
Location: INTERNET NET
Cost: \$221.00
Ages: 14 and above

Wild Animal Safari

Fashion and wear your own 3-D animal mask and create a watercolor of zoo animals. Day two get lost in an environment collage you create with 3-D animal accents. Snack included.

CE-CRFT134-21642

Instructor: Diane Anderson
Meets: Mon. & Tue., Jul 11 – Jul 12
 1:00 p.m. – 2:00 p.m.
Location: WORKFORCE
 DEVELOPMENT 105
Cost: \$14.00
Ages: 4 – 10

Wild Science Adventure

Learn facts about insects as you create your own “bug” from found objects. Find inspiration from pictures and samples. Next learn about a volcano, Mt. St. Helen’s, from someone who was there. You will get free dust and a chance to create a project of your own and work as a team on a class project that will really erupt.

CE-SCIE173-21738

Instructor: Diane Anderson
Meets: Wed. & Thu., Jul 20 – Jul 21
 1:00 p.m. – 2:00 p.m.
Location: WORKFORCE
 DEVELOPMENT 105
Cost: \$14.00
Ages: 4 – 8

CE-SCIE173-21742

Instructor: Diane Anderson
Meets: Mon. & Tue., Jul 18 – Jul 19
 1:00 p.m. – 2:00 p.m.
Location: NEAL HALL 113
Cost: \$14.00
Ages: 4 – 8

Wonderful World of Crayons

Explore the wonders of crayons beyond a coloring book. Create a stained glass window and more. Enjoy the world of art with your artist friends. Snack included.

CE-CRFT133-21641

Instructor: Diane Anderson
Meets: Mon. & Tue., Jul 11 – Jul 12
 11:00 a.m. – 12:00 p.m.
Location: WORKFORCE
 DEVELOPMENT 105
Cost: \$14.00
Ages: 4 – 10

Rockhounds

Beginning Spoken Chinese

Introduce your child to the Chinese language and culture. Learn to introduce yourself, simple phrases and the Chinese alphabet.

CE-LERN145-21432

Instructor: Joy Wen Li Yao
Meets: Mon. & Wed. & Thu.,
 Jul 11 – Jul 28
 5:30 p.m. – 6:30 p.m.
Location: NE 101
Cost: \$60.00
Ages: 12 – adult

Beginning the Bagpipe

This is a unique opportunity! Join us for an introduction to the Highland Bagpipe. This is for those interested in learning Scottish/Irish music and/or joining a bagpipe band. Includes basic introduction on the bagpipe scale, grace notes, and beginning pipe tunes. The ability to read music is helpful, but not necessary. Practice chanter and book additional, approximately \$80. Will send ordering information. Ages: 12 – 17 register in CE-ENRC176-21956, Ages: 18 and above register in CNC-018-21950.

CE-ENRC176-21956

Instructor: Paul Hinson
Meets: Tue., Jun 7 – Jul 26
 6:00 p.m. – 7:00 p.m.
Location: FH 105
Cost: \$50.00
Ages: 12 – adult

Engaging Generations

↑ CNC-018-21950

Instructor: Paul Hinson
Meets: Tue. June 7 – July 26
6:00 p.m. – 7:00 p.m.
Location: FH 105
Cost: \$50.00

Floral Design for Beginners

Experience the satisfaction of designing your own small flower arrangement and creating your own wreath to decorate your home. Learn the basic principles of floral design and discuss various floral materials and their uses. Materials provided.

CE-ARTS183-21320

Instructor: Diane Anderson
Meets: Wed. & Thu., Jul 13 – Jul 14
1:00 p.m. – 2:00 p.m.
Location: CHARLESTON LSC
Cost: \$24.00
Ages: 4 – adult

Garden Adventure

Use photos to fashion a floral picture and accent it with texture. Bring 10-12 of your own photos or use those provided. You will also learn about container gardening and fill a pot with flowers to bring home and brighten your day. Materials provided.

CE-CRFT135-21644

Instructor: Diane Anderson
Meets: Mon. & Tue., Jul 11 – Jul 12
3:00 p.m. – 4:00 p.m.
Location: WORKFORCE
DEVELOPMENT 105
Cost: \$14.00
Ages: 4 – adult

Garden Flower Ornaments

Let's get together and each paint a flowerpot and fill it with pretty flowers, design and make a garden fairy, and create a floral birthday card.

CE-CRFT131-21259

Instructor: Diane Anderson
Meets: Mon. & Tue., Jun 27 – Jun 28
10:00 a.m. – 11:00 a.m.
Location: CHARLESTON LSC
Cost: \$24.00
Ages: 4 – adult

↑ Living a Purposeful Life

Service learning! Volunteer in Mattoon area by meeting us: Monday – Catholic Charities on DeWitt Avenue, Tuesday – Salvation Army on Richmond Avenue. We will be folding linens, straightening books, tagging items, and sorting/hanging clothing. Donations accepted. Participants MUST register! Ages: 16 – adult, ages 16 and 17 register in CE-ENRC143-21953, ages 18 and over register in CNC-028-21955.

CE-ENRC143-21953

Instructor: Johnna Morecraft
Meets: Tue., Jun 20 – Jun 21
9:00 a.m. – 1:00 p.m.
Location: MATTOON TBA
Cost: \$0.00
Ages: 16 – adult

CNC-028-21955

Instructor: Johnna Morecraft
Meets: Mon. & Tue., June 20 & 21
